

## EFORCE PLATINUM HD

SYNTHETIC / SEMI SYNTHETIC / MINERAL

### PRODUCT DESCRIPTION:

EFORCE PLATINUM HD is an advanced semi-synthetic heavy-duty diesel engine oil designed to enable extended oil drain intervals. It is specifically formulated to enhance engine life under the most demanding on and off-highway conditions while delivering superior performance in modern, high-output, low-emission engines equipped with EGR. EFORCE Platinum HD is fully compatible with the latest exhaust after-treatment systems, including DPF, DOC, and SCR. Its excellent low-temperature fluidity and pumpability, combined with a cutting-edge additive system, ensure maximum wear protection and support extended engine durability.

### APPLICATION:

EFORCE PLATINUM HD is recommended for heavy-duty diesel engines including Euro V/VI modern low emission vehicles, utilizing technologies such as Diesel Particulate Filter (DPF), Selective Catalytic Reduction (SCR), Continuously Regenerating Traps (CRT), Diesel Oxidation Catalysts (DOC) and Exhaust Gas Recirculation (EGR). It is also recommended for High-performance diesel applications including turbo-charged designs featuring EGR technology and diesel applications using older, naturally aspirated conventional designs. On-highway heavy-duty trucking and off-highway including construction, mining, quarrying, and agriculture.

### FEATURES & BENEFITS:

- Excellent control of oil thickening due to soot build-up.
- Outstanding TBN retention for long drain intervals.
- Outstanding resistance to oil consumption, oxidation, corrosive and abrasive wear.
- Designed to control aeration exceptionally
- Excellent shear stability
- Improved oxidation stability

### OEM Approvals:

- Volvo VDS-4.5 (SAE 15W-40)
- Mack EOS 4.5 (SAE 15W-40)
- Renault VI RLD3 (SAE 15W-40)

**DISCLAIMER:** The test data presented above is indicative and not a strict specification, as it may vary within acceptable production tolerances. Internol reserves the right to update or modify this test data. For the most accurate and current information, please refer to the latest version of this Technical Data Sheet (TDS).

**HEALTH & SAFETY, ENVIRONMENT:**

Continuous or repeated exposure to oil may lead to skin problems. Avoid contact with the oil. In case of contact, wash thoroughly with soap and water. Do not dispose of used oil in drains or the environment. Dispose of it at an authorized used oil collection point. For additional safety information, please refer to the MSDS available on our website at [www.internol.net](http://www.internol.net).

**PROTECT THE ENVIRONMENT:**

Take used oil to an authorized collection point. Comply with local regulation. Do not discharge into drains, soil or water.
